

## Africa & Middle East Depositories Association – AMEDA

had its second meeting in Sudan in November 19 – 22, 2018.

AMEDA four days meeting was all educational where Mr. Dale Connock the trainer gave 14 sessions covering 9 principles mostly related to CSDs business. Each principle or group of principles was followed feedback and case study.

After principles were discussed in details, Mr. Dale explained the assessment process to members and replied to all members' queries.

There was planned for a closed session but due to the circumstances where some members had to leave and others could not make it to Sudan, Mr. Mohamed decided to postpone it to the WFC2019 regional meeting planned during the international conference to be held in Marrakech, Morocco April 2019.
