

## AMEDA WFC Report Back

- AMEDA had its 32nd Meeting via zoom on December 8<sup>th</sup>, 2020
- In this meeting, members focused on AMEDA internal matters where new working committees were formed a legal committee to revise the bylaws and a website committee to view AMEDA website and make changes to the existing one.
- It has been noticed that members interaction was less due to COVID19 Pandemic and not being able to meet in physical, so to try to increase members interaction, a suggestion was made that each member designate a staff to be totally devoted to AMEDA requirements and to able to respond to other members' queries on time.
- AMEDA 2021 and 2022 venues were decided unless anything happened. Still first meeting in 2021 will be virtual.
- Members who did not respond to the WFC 2018 and 2019 factbook surveys were reminded and urged to participate in both years surveys.
